

V. PUBLIC DANCE/CONCERT POLICY

Dances or concerts open to the public will be subject to the following regulations:

1. A damage and cleaning deposit of \$10,000 will be required. The Auditorium Supervisor can decrease this deposit for known, established lessees such as service clubs, or other nonprofit organizations.
2. At a dance or concert where minors are allowed, no alcoholic beverages can be served or sold to the public. At an all adult event (21 years old and over) alcoholic beverages can be sold.
3. The Auditorium Supervisor and the Hayward Police Department have the authority to stop alcohol sales or close down any event where there is evidence of alcohol abuse, rowdiness, substance abuse, or the potential for injury to the public or damage to City facilities. The lessee will not be entitled to any refund of rent or other fees in such cases.
4. Security coverage will be provided by a combination of off-duty Hayward police officers and private security guards. As a standard for a whole hall event, a minimum of twelve HPD officers and sixteen private security personnel will be on duty. Private security guards can be a combination of uniformed security (per City's contract security company) and professional concert (T-shirt) security, at the discretion of the Auditorium Supervisor, depending on the nature of the event.
5. For live band rock n' roll acts, the promoter will be required to rent, at his/her expense, a crowd barrier to keep the audience from gaining access to the stage. The barrier and installation must be approved by the Auditorium Supervisor prior to the public being allowed in the building.
